6. **Course:** UW-Parkside has developed a unique National Cross Country Course located on the rolling and wooded 700-acre campus between Kenosha and Racine in southeastern Wisconsin. An excellent course for runners, it was the site of the NAIA National Cross Country Championships from 1976 through 2002 (with exception of 1980). The UWP course was the site of the NCAA Division II National Meet in 1980, '83, and '97 and the 1992 TAC Nationals. The GLVC, CCIW, Horizon League and the Big East have all recently hosted their championships at UWP. The course is well marked with directional signs and distance markers every quarter-mile. It is not a golf course, but rather a true cross-country course that winds through a variety of terrains. The layout offers numerous opportunities for coaches and spectators to see the runners since they pass near the starting line at the 1 ¾, 2 ¾, and 4 ¼ mile marks. The finish, which is only 100 yards from the starting line, can accommodate over 500 runners. The course is open for inspection daily. **NO VEHICLES ON THE COURSE AT ANY TIME.**
7. **Course maps:** Course maps are posted on: <http://wisconsinrunner.com/parkside.html>
8. **Scoring:** The top seven runners will score, eighth and above will be displaced and scored as individuals. Wisconsin Runner will be timing and score meet via the **MyLaps** disposable chip system in conjunction with Finish Lynx **Ether Lynx Photo Finish** and **Identi Lynx Video** cameras.
9. **Results:** Results will be posted to [www.wisconsinrunner.com](http://www.wisconsinrunner.com) shortly after the completion of each race. Start lists will be posted to the same site prior to the meet.
10. **Awards:** The top 25 runners in each race will receive t-shirts.
11. **Concessions:** An extensive variety of concessions will be on sale at the finish line building on the course.
