Menomonee Falls - Tom Shannon	5	Menomonee Falls - Tom Shannon
Muskego - CJ Michaud	6	Muskego - CJ Michaud
	7	DSHA - Andrew Lelinski

The races will be run by grade level as follows: SR/JR Boys, SO/FR Boys, then SR/JR Girls, SO/FR Girls

Packet pickup will be available at the finish line.

2:00 Senior Boys
2:07 Junior Boys
2:45 Sophomore Boys
2:52 Freshman Boys
3:30 Senior Girls
3:37 Junior Girls
4:15 Sophomore Girls
4:22 Freshman Girls

The starts are staggered by 7 minutes to prevent congestion at the starting line during warm ups. The 2nd start of each race should warm up in the area to the west of the starting area to avoid crowding at the start. In other words, juniors and freshmen should not do run outs with the seniors and sophomores. They should come to the line after the runners leave the starting line from the previous start. The starter will then count down from five minutes to the start of their race.

COURSE

The course will be two 1.5 clockwise mile loops around Mitchell Park. The course has been modified from the past to avoid crossing and allow for a staggered start. The races will start near the Wilson Center and run south toward the dog park.

Runners should wear a mask when not racing. Runners may wear a mask at the start, but they may not discard the mask during the race. They may take it off and carry it in their hand, around their neck, on their head, or in the waistband of their shorts.

Team areas will be north of the pavilion and on the west side of the road as indicated on the coursemap. The use of tents is discouraged in an effort to prevent congregating.

Results The meet will be chip timed. Results will be posted at WisconsinRunner.com soon after the completion of the race. We will attempt to provide video highlights of the races later Thursday evening.

Awards will be given to the top 5 in each grade. Coaches should pick up the awards before leaving the park.

Finishers should leave the finish line area after finishing the race. There will be no water provided at the finish.

Encourage runners and spectators to leave the park as soon as possible to prevent crowding.

Ask that **spectators** be limited, and ask that spectators wear a mask. Social distancing at the finish line and throughout the park are encouraged. Spectators should arrive as close as possible to racetime. No dogs allowed.

Tshirts will be sold for \$10. Cash only. Exact change. Tshirt design, course map and other info, are available at <http://wisconsinrunner.com/results/2020BCHSLancerChallenge.php>
