UW-PARKSIDE:

The UW-Parkside Sports & Activities Center is off limits to our group.

WIAA tournament and/or UW-Parkside facility rules prohibit dogs or drones at the meet site.

No athletic balls or Frisbees are allowed onsite. There will be a concession stand run by the UWP cross country team on the course throughout the day.

There will be an admission fee of \$5.00 for adult spectators (seniors excluded).

PACKET PICK-UP:

Packet pickup is in the finish line building reception room starting at 8:00am for both divisions.

TEAM TENTS:

No teams are allowed to set up camps in Petrifying Springs Park. You MUST headquarter on the UW Parkside course in a designated area near the finish chute area. UWP Facility Management has concerns regarding public access behind the finish line. The area has been beat up pretty bad by the amount of people congregating in the area where team tents are erected. In addition meet staff and medical personnel have a hard time navigating this area during meets.

As a result, only coaches, participants and event staff will be allowed in the tent area. **No parents, non-participants and other spectators will be allowed in this area.** We realize some teams rely on parents to transport and erect their team tents. It is acceptable for them to do so at sectionals, but they must leave the area once their tents are up.

COURSE:

The course is the standard UW-Parkside 5000 meter course. **Meet management has decided that we will run the alternate course.** The race will be rerouted down the main straightaway at the 1 ¼ mile mark. It is exactly the same distance.

Please remember that is prohibited to mark the course in any manner, including paint, streamers, signage, etc. A digital display clock will provide the countdown for each race and one will provide splits at the 1, 2 & 3 mile marks. No wireless communication devices are allowed.

Once the first race of the day race has started, warm-ups on the course are limited to following the race in progress. Teams may not warm-up randomly on the course during the race in progress.

STARTING LINE: Only a team's seven competing members, one alternate and two coaches are allowed in the designated starting area. Coaches will be given access passes at packet pickup.
