

Do to the excessive rainfall and the resulting flooding of the much of the Wayne E, Dannehl National Cross Country Course, the Kenosha County Cross Country Championship race distance has been shortened to 4 kilometers. The start times remains the same (girls 4:30, boys 5:15).

In addition, to minimize course damage, no tents will be allowed on the course in any location. Tarps are permissible near the entrance. There will be no water at the finish line.

It will be a great afternoon of true cross country! The concession stand will be open and there will be a rainbow assortment of meet shirts for only \$5.00.

Coaches will be given any updates regarding the meet as they develop.
