PRO Mixed XC Relay Cancellation

Due to multiple factors, the registration response for the upcoming race has not met race management's expectations. As a result, we have unfortunately decided to cancel the event. All paid entrants will receive a full refund.
Additionally, we would like to send you a complimentary race cap. Please reply to this email or contact us at wisrun@gmail.com with the mailing address where you would like your cap delivered.
We sincerely apologize for any inconvenience this may cause and appreciate your understanding.
